ABOUT THE COMPANY

The Keepsake Company is a funeral consulting firm that provides families and funeral homes abroad with custom and personalized memorial keepsakes as well as offer curated services that aid and assist families with executing a personalized and conceptualized celebration of life service reflective of who the family's loved one was. The Keepsake Company is a funeral supply enterprise set in place to help funeral homes obtain unique and creative supplies and merchandise. We are a resource hub created for funeral homes to utilize just as they would the well known "yellow pages". The company is designed to provide funeral directors and families with various vendors equipped to provide the service or item they are in need of and searching for. We work alongside reputable funeral service providers collectively ensuring the wishes of your family are carried out effectively and efficiently. If a custom and personalized homegoing celebration is what you desire for your loved one or yourself, allow The Keepsake Company the opportunity to give you a memory that will last a lifetime. Now assisting families near and far!
